with the act. This should be a definite prerequisite to any other compliance training.

Lesson Six – Section 302 Executive Certification of Financial Statements

- The Rules.
- Illustrate the Rules.
- Sample solution – interactive graphic and drill.
- Interactive Quiz – 80% required - automatically flag content for review based on questions missed.

The student will understand the importance of accurate financial reports and the urgency of ensuring that his/her contributory reports to management are completely accurate and factual.
Lesson Seven – Section 404 Documentation of Financial Controls

- The Rules.
- Illustrate the Rules.
- Sample solution – interactive graphic and drill.
- Interactive Quiz – 80% required - automatically flag content for review based on questions missed.

The students, by increasing their overall knowledge of the act and detailed knowledge of the key rules will increase their responsibility to assist management at all levels in ensuring the company’s financial operating and reporting practices are efficient and accurate.

It is postulated that this will not only help those involved in compliance training put the company in compliance with the law but will also help improve performance and corporate governance.
